

CO₂-LOCATOR

Leak Detector for CO₂

-  **Newly developed optical gas sensor for a fast-response**
-  **Multi-color display with peak function**
-  **High-Medium-Low leak sensitivity selector**
-  **Automatic zero and background compensation**

HVAC/R
Service Products

CO₂-MANIFOLD

2-way-manifold for transcritical applications

with oil-filled bellow type gauges

high accuracy class 1.0 despite high pressures
with zero point adjustability

high quality, black anodized aluminium body

pressure range up to 160 bar
